DEDICATION

This yearbook is dedicated to those brave people who brought about the birth of our nation. To those colonists who acted together and met to oppose British demands. To those who began the long struggle from the first shots fired at Lexington to the surrender of Cornwallis at Yorktown. To all of those banded together by common ideals who brought about much more than mere independence. To those who established our nation as a place where every human being could be free, and have something to say about how he was governed. These ideals of liberty grow brighter each day . . . we are grateful.

THE FLAG . . .

Every country has its own flag. Our flag did not always look the way it does today. In the early days the colonists lived in thirteen separate colonies, each with its own flag.

The first days of the Revolutionary War, the colonists carried their old flags into battle. They needed one flag to stand for all the colonies fighting together. The American flag was to have a star and a stripe for each of the thirteen colonies.

The Betsy Ross Flag with the stars arranged in a circle was based on the idea that no colony should take precedence. This flag evolved into our present day flag.

All other flags soon disappeared after the Stars and Stripes was adopted, yet the insignia shown on some of them appears occasionally on a state flag.

I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic, a sovereign nation of many sovereign states; a perfect union, one and inseparable; established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes. I therefore believe it is my duty to my country to love it, to support its constitution, to obey its laws, to respect its flag, and to defend it against all enemies.

IN CONGRESS, JULY 4, 1776.

The unanimous Declaration of the thirteen united States of America,

When in the course of human events it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation. ——— We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness — That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, — That whenever any form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security. — Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world. ——— He has refused his Assent to Laws, the most wholesome and necessary for the public good. ——— He has forbidden his Governors to pass Laws of immediate and pressing importance, unless suspended in their operation till his Assent should be obtained; and when so suspended, he has utterly neglected to attend to them. ——— He has refused to pass other Laws for the accommodation of large districts of people, unless those people would relinquish the right of Representation in the Legislature, a right inestimable to them and formidable to tyrants only. ——— He has called together legislative bodies at places unusual, uncomfortable, and distant from the depository of their Public Records, for the sole purpose of fatiguing them into compliance with his measures. ——— He has dissolved Representative Houses repeatedly, for opposing with manly firmness his invasions on the rights of the people. ——— He has refused for a long time after such dissolutions, to cause others to be elected, whereby the Legislative powers, incapable of Annihilation, have returned to the People at large for their exercise; the State remaining in the mean time exposed to all the dangers of Invasion from without, and convulsions within. ——— He has endeavored to prevent the Population of these States; for that purpose obstructing the Laws for Naturalization of Foreigners, refusing to pass others to encourage their migrations hither, and raising the conditions of new Appropriations of Lands. ——— He has obstructed the Administration of Justice, by refusing his Assent to Laws for establishing Judiciary powers. ——— He has made Judges dependent on his Will alone, for the tenure of their offices, and the amount and payment of their salaries. ——— He has erected a multitude of New Offices, and sent hither swarms of Officers to harass our People, and eat out their substance. — He has kept among us, in times of peace, Standing Armies without the Consent of our Legislatures. ——— He has affected to render the Military independent of, and superior to, the Civil power. ——— He has combined with others to subject us to a jurisdiction foreign to our constitution, and unacknowledged by our laws; giving his Assent to their Acts of pretended Legislation: — For quartering large bodies of armed troops among us: — For protecting them, by a mock Trial, from punishment for any Murders which they should commit on the Inhabitants of these States: — For cutting off our Trade with all parts of the world: — For imposing Taxes on us without our Consent: — For depriving us in many cases, of the benefits of Trial by jury: — For transporting us beyond Seas to be tried for pretended offences — For abolishing the free System of English Laws in a neighbouring Province, establishing therein an Arbitrary government, and enlarging its Boundaries so as to render it at once an example and fit instrument for introducing the same absolute rule into these Colonies: — For taking away our Charters, abolishing our most valuable Laws and altering fundamentally the Forms of our Governments: — For suspending our own Legislatures, and declaring themselves invested with power to legislate for us in all cases whatsoever. — He has abdicated Government here, by declaring us out of his Protection and waging War against us. ——— He has plundered our seas, ravaged our Coasts, burnt our towns, and destroyed the lives of our people. ——— He is at this time transporting large Armies of foreign Mercenaries to compleat the works of death, desolation and tyranny, already begun with circumstances of Cruelty & perfidy scarcely paralleled in the most barbarous ages, and totally unworthy the Head of a civilized nation. ——— He has constrained our fellow Citizens taken Captive on the high Seas to bear Arms against their Country, to become the executioners of their friends and Brethren, or to fall themselves by their Hands. ——— He has excited domestic insurrections amongst us, and has endeavoured to bring on the inhabitants of our frontiers, the merciless Indian Savages, whose known rule of warfare, is an undistinguished destruction of all ages, sexes and conditions. In every stage of these Oppressions We have Petitioned for Redress in the most humble terms: Our repeated Petitions have been answered only by repeated injury. A Prince whose character is thus marked by every act which may define a Tyrant, is unfit to be the ruler of a free People. Nor have We been wanting in attentions to our British brethren. We have warned them from time to time of attempts by their legislature to extend an unwarrantable jurisdiction over us. We have reminded them of the circumstances of our emigration and settlement here. We have appealed to their native justice and magnanimity, and we have conjured them by the ties of our common kindred to disavow these usurpations, which would inevitably interrupt our connections and correspondence. They too have been deaf to the voice of justice and of consanguinity. We must, therefore, acquiesce in the necessity, which denounces our Separation, and hold them, as we hold the rest of mankind, Enemies in War, in Peace Friends. ———

We, therefore, the Representatives of the **united States of America**, in General Congress, Assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by authority of the good People of these Colonies, solemnly publish and declare, That these United Colonies are, and of Right ought to be **Free and Independent States**; that they are Absolved from all Allegiance to the British Crown, and that all political connection between them and the State of Great Britain, is and ought to be totally dissolved; and that as Free and Independent States, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which Independent States may of right do. ——— And for the support of this Declaration, with a firm reliance on the protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.

1976

In the fall of 1972, coming into Galt High was the class of 1976. Nervous, apprehensive, the drop from favored status as eighth-graders to lowly freshmen was traumatic.

The freshmen learned fast though. Ken LaVine was elected president; Bev Johnson, secretary; Russ Wold, vice-president; and Carleen Rothenberger, treasurer. The class wrote their constitution, and began the process of filling the treasury with the traditional magazine sale. Homecoming princess was Sandra Fleming.

Blooming with new-found confidence the class embarked on its sophomore cruise. The big excitement was getting a class ring. Frank Ortiz headed the officers with Lorna Benge, vice-president; Linda Lenards, treasurer; and Carleen Rothenberger, secretary. Homecoming princess was Joan Peckinpaugh.

The next year saw the juniors come into their own. The Burden of homecoming, the prom, and the senior breakfast fell on their shoulders. Ken LaVine again was president. Maria Garcia was vice-president; Sherri Chase, Treasurer; and Carleen Rothenberger, secretary. Tammy Sayre was the princess this year.

Now, in 1976, the seniors are reaching the end of this particular journey. It has been memorable sometimes, dull sometimes, and all the degrees in between. Ken LaVine again was prexy, Bev Johnson, vice-president; Karen Reidarson, treasurer, and Karen Seifert, secretary. Janice Williams was homecoming princess. Bev Johnson took over the reins in mid-year when Ken elected early graduation.

Busy Student Body

Leaders Prepped Well

One of the busiest jobs on campus is probably that of a student body officer. These leaders, elected last spring, worked hard during the summer to prepare for their big year ahead. This preparation paid off in the successful completion of the many projects student council undertook this year. They sponsored the annual Christmas Dance and other dances throughout the year, assemblies, noon-time entertainment, including the one-on-one basketball competition, and other activities for the student body to enjoy. Also, with the newly-purchased stereo system played during lunch breaks, they encouraged a more relaxed atmosphere on campus.

Council Reps Saw, Listened, Learned

This year, the students at Galt High had the opportunity to have their opinions heard. During the monthly home-room reports, the student council members reported to the entire student body the workings of council and took back any ideas or suggestions offered. Under the supervision of their advisor, Mr. Fletcher, members of student council learned the importance of cooperation and the necessity of maintaining a smooth-running school.

Carleen keeps her records accurate.

Band Placed First In Festive Parades

Although the band competed in fewer activities than in previous years, the quality has improved. A new event, a judging review in Cupertino, found the band placing a very impressive fourth. The parades at Galt and Lodi brought two frist place honors to the marching band. Besides the annual Spring Program, the band provides the musical entertainment in the Christmas Program and the entrance march for graduation.

The '76 Pepstirs Brought Up Spirit

This year Pep Squad staged rallies, had class competition, and gave away the spirit stick to the class with the most spirit at each rally.

Pep Squad promoted more spirit this year than previous years. An ice-cream eating contest, a sandwich eating contest, and a Halloween Costume contest were some of the things that they did for class competition.

With the help of Mrs. Borem the songleaders always had new and unique routines and the cheerleaders always had new yells. The mascots were also an important part in promoting school spirit.

J.V. Cheerleaders were Liz Keesee, Terri Meier, Judi King, and Natali Bender.

Songleaders were Lisa DeAngelo, Sandy Contreras, Maria Garcia, Kathy Deason, and Peba Contrera Not pictured is Kandy Harland.

Varsity cheerleaders were Bev Johnson, Janice Williams, Audrey Reed, and Sue Dorsey.

GAA Accomplished Intramural Success

GAA was one of the most active and largest organizations on campus this year with a membership of some 100 girls.

The girls participated in tournaments for badminton, volleyball, softball, tennis, and basketball. These activities gave the girls the opportunity to learn to handle the joy of victory and/or the agony of defeat.

During the football season, the members helped decorate goal posts and clean stadium bleachers as minor-money making projects. Later, they sold candy for their major project. The profits from these events went towards activity and service awards. The awards were given out at the annual GAA Awards banquet in May.

Homecoming 1975 Proved Successful

Homecoming '75, with its theme "The Wonderful World of Warriors", involved a week full of activities. In addition to the many organizations busy building floats and electing their princesses, the student body also selected Bobbie Gore as Homecoming Queen. She was crowned at the traditional Thursday night rally. This year two new ideas developed by the Junior class, which hopefully will become traditions, were noon-hour class competitions and the parade through town before the rally. The Homecoming game also proved a success with the mighty Warriors scalping the Bruins 23—0. The busy week was climaxed with the traditional Saturday night dance.

Three Great Plays

Drama staged three productions this year.

The first was Exit the Body, a mystery comedy, performed in November. In March, another play was staged called Bye, Bye, Birdie, a musical backed by a small combo.

Later in the spring, a one act melodrama called Druscila's Decision, featuring a variety of talents presented in vaudeville style.

All plays were produced and directed by Mr. Prichard, head of the Drama Department.

Levi's Hold First in Fads and Fashions

Everywhere, fads and fashions come and go, and every high school develops its own fads. Galt High was no exception. On these two pages are some of those fads and fashions for the 1975-76 school year.

In the fall, when school began, girls were wearing big floppy hats, puka shells, long dresses, and were carrying big purses. Both guys and girls wore sunglasses, and some guys even wore puka shells. Later on, when the weather turned cool, students began wearing ski jackets, and earth shoes made their appearance.

Students were wearing overalls all year but when the administration changed the dress code, they could wear them legally.

Toe socks showed up and of course the ever-so-popular Levi's were there, which always have been and always will be first with Galt High students.

Faculty Team Tried to Tame Channel 13

In a rare public appearance, the faculty basketball team played a one-game season when they took on Channel 13 in a benefit game in February.

The intensive training nearly wiped out the ranks, but the Galt stalwarts showed up that night full of fight and do-or-die spirit.

Channel 13 fielded a team that seemed to have a number of semi-pro players on the roster. The Galt team was all-faculty. The score was close considering the pulled muscles and aching backs. Channel 13 hung on for a 75 — 70 victory. Our team upheld the honor of the school very capably.

Net Team Repeat, Took GEL First

The girls' tennis team, coached by Mrs. Rose Gonzalez, brought home the GEL championship for the second successive year. In winning they notched a 7—1 league record. There were two ties in practice matches.

Two veterans, Sandy Gross and Karen Seifert, formed the nucleus of a well-balanced team. These two went on to be named All-League players.

The netters dropped the first match to Tahoe, but swept the next seven matches in their winning effort.

Sandy won in the GEL tournament to advance to the sectionals. There she suffered her first loss of the season, to the CCL rep.

MANAGERS: Lorna Benge and Lisa Pfeifer.

Injuries Hampered Basketball Varsity

The girls' varsity basketball team did not fare too well this season. The team was hampered by injuries to key players throughout the season which accounted for some of the losses. The girls' teams in GEL are tough, scrappy competition. Galt lacked heighth primarily, since some of the teams fielded six-footers or close to it. Karen Seifert was the tallest player for Galt. Her efforts paid off in her being named to the All-League team. The record for Galt was 4 — 8 overall.

Warriors Tied for Crown with Jesuit

The Warrior football team got off to a slow start when they lost the first game to Rio Linda 19—7. The gridders settled down to business then and won the rest of the games on the schedule. They came up to the Jesuit game leading the league. In a bad afternoon, Jesuit took their measure 33—6. The result dropped Galt to a tie with Jesuit.

When Jesuit opted to play in another contest, Galt went to the playoff game with Manteca. Again the breaks were on the other side as Manteca won 20—13.

All league honors went to Ron Biaggi offensive tackle and defensive linebacker, and Gary Bottimore for offense.

Exciting Season

Coach Don Nottoli's varsity basketball squad ended an exciting 75 — 76 season with a 12 — 10 record. After a slow start, the Warriors picked up momentum as they entered league play. Losing a heart-breaker to previously winless Ponderosa late in the season cost the Warriors an opportunity for a first place tie in the GEL. But through cooperation, endurance, and all-around team spirit, the Warriors bounced back to defeat El Dorado, assuring them a second place tie.

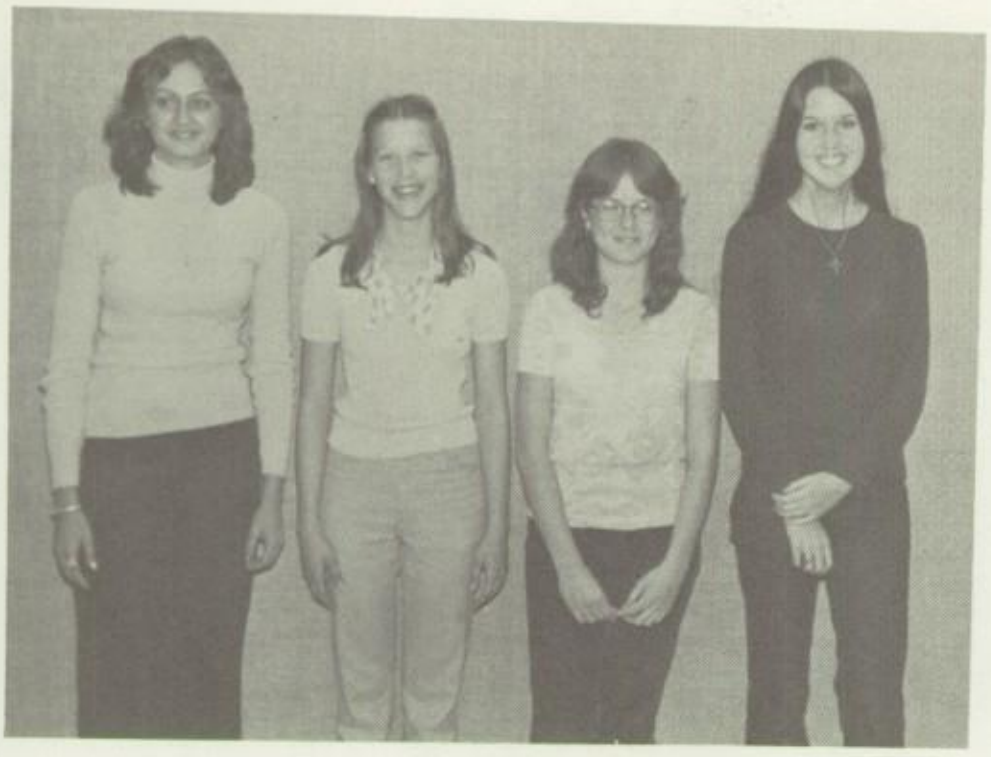
Softball champs were Laura Kessler, Cheryl Caldwell, Andrea Adam, and Wendy Barquist.



GAA Showed Good Improved Teamwork

GAA offered girls who didn't have a chance to play in varsity games, an inner-term opportunity to participate in class teams. The teams competed in basketball, volleyball, badminton, and softball. The seniors were named the over-all champions of volleyball, and the Juniors were the softball champs. Karen Seifert and Lorna Benge were the badminton champions, while the Seniors excelled in basketball.

Karen Seifert and Lorna Benge were this year's badminton champs.

Rochelle Steiner shows action.

From Here to Reality

The school door is closed. But your education is far from complete. It is just beginning. Yesterdays lectures don't apply to tomorrow's problems. Yesterday the most important thing you learned was how to learn. Tomorrow brings graduate school or a job, a mortgage, marriage, parenthood, success — or failure.

From now on you are playing for real, not for marks on a report card. So to the class of **76**, we say this: You can look upon your education as a tough grinding accomplishment and sit back to ask, "Now where's my reward?" or you can look upon it as preparation for the uncertain reality which lies ahead. Choose now.

Young Varsity Nine Showed Promise

The varsity baseball team was faced with the usual heavy schedule of league and non-league games this season. The one thing they had going for them was the lack of rained-out games. Coach Alex Nicolau had some returning veterans and some promising young players. Tobeck, Adams, Ortiz, and Leibig were stalwarts among the veterans. Up and coming juniors were Bross, Hagen, Bates, Weyand, and Koepplin.

Frosh-Sophs Faced Long Heavy Season

The frosh-soph baseball schedule was a long one, running into early May. Mr. Steve Wolf took a small squad into the league play. There were twelve members of the team. The frosh-soph season should furnish the varsity with some seasoned veterans next year.

The team played eighteen games in a heavy schedule.

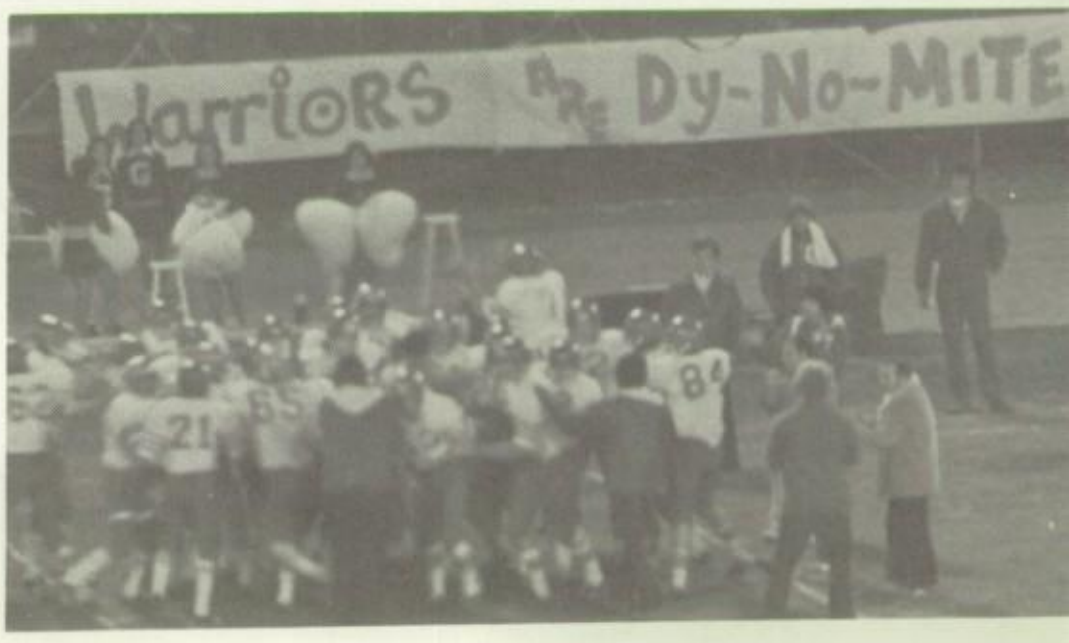
Frosh Team Dived Into First Season

The freshman baseball team was under the tutelage of a new coach this season. Mr. Don Dodds took on the squad of fifteen eager young men. The team played seven teams, some of them once and some twice.

The schedule this year was: Lodi, two games; Kerr, two games; Jesuit, two games, Rutter, two games; and Folsom, two games. They played Tokay once and Amador once.

As with the rest of the spring sports, there was a minimum of interruption with rain.



Warriors Are Dy-No-Mite

1976 has been quite an eventful year for Galt High and the rest of the world for that matter.

The biggest event this year, of course, is the Bicentennial. The United States has come a long way in two hundred years. We've gone from horses and sailing ships to 747's and moon rockets. What else can I say but Happy Birthday America!

1976 was an Olympic year. We watched Dorothy Hamill and the rest of our Olympic team compete extremely well at the Olympic Games at Innsbruck, Austria.

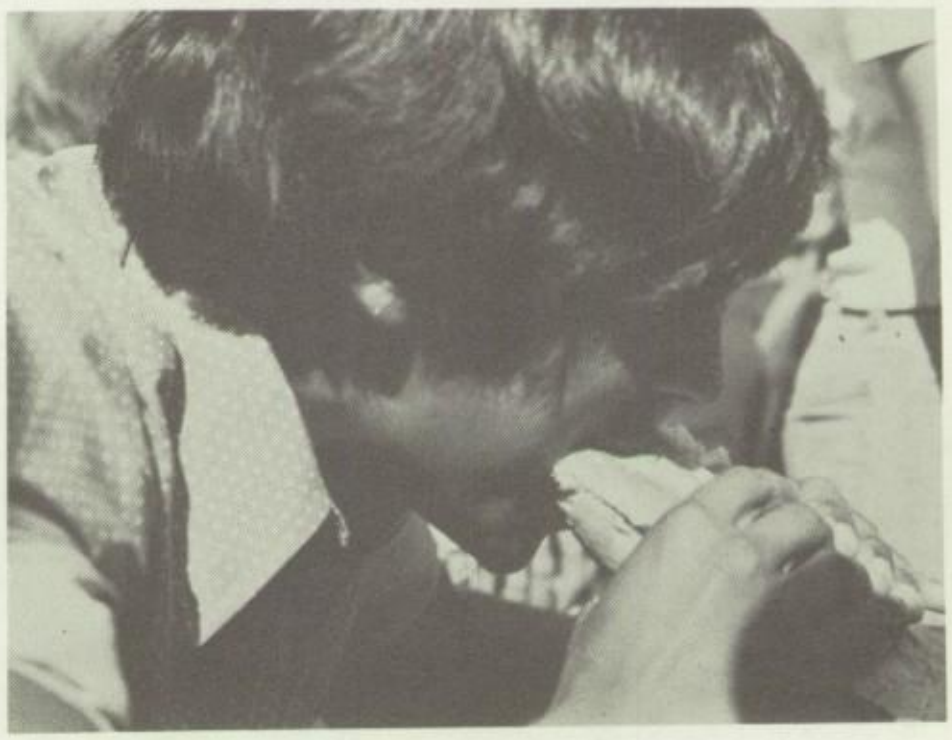
The search for Patty Hearst finally ended in San Francisco and her trial started.

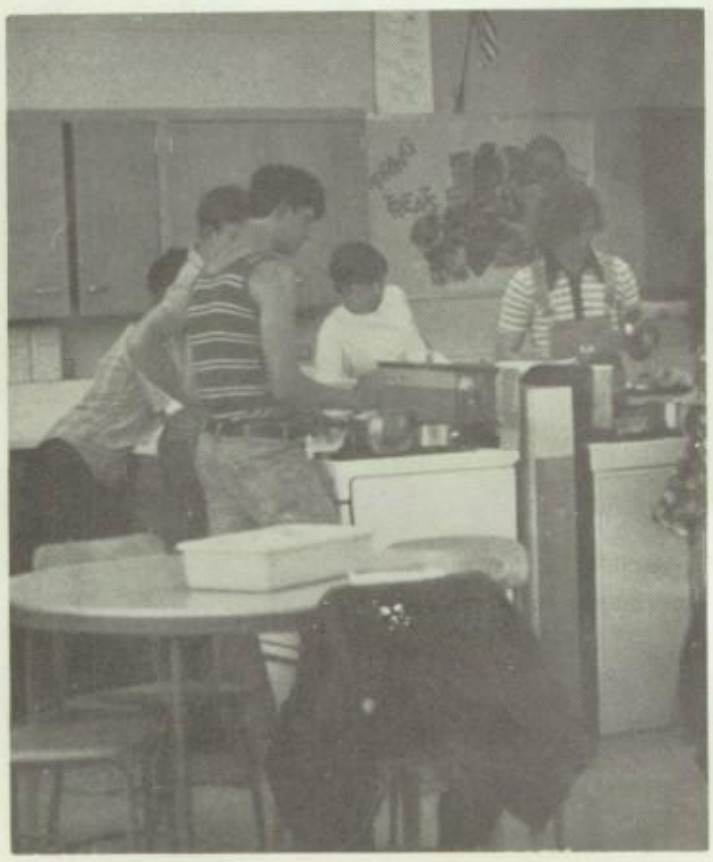
As an aftermath of the Watergate scandal, we saw not one, but two attempts on President Ford's life. We also saw the trials of the two alleged assasins, Lynette Fromm and Sara Jane Moore.

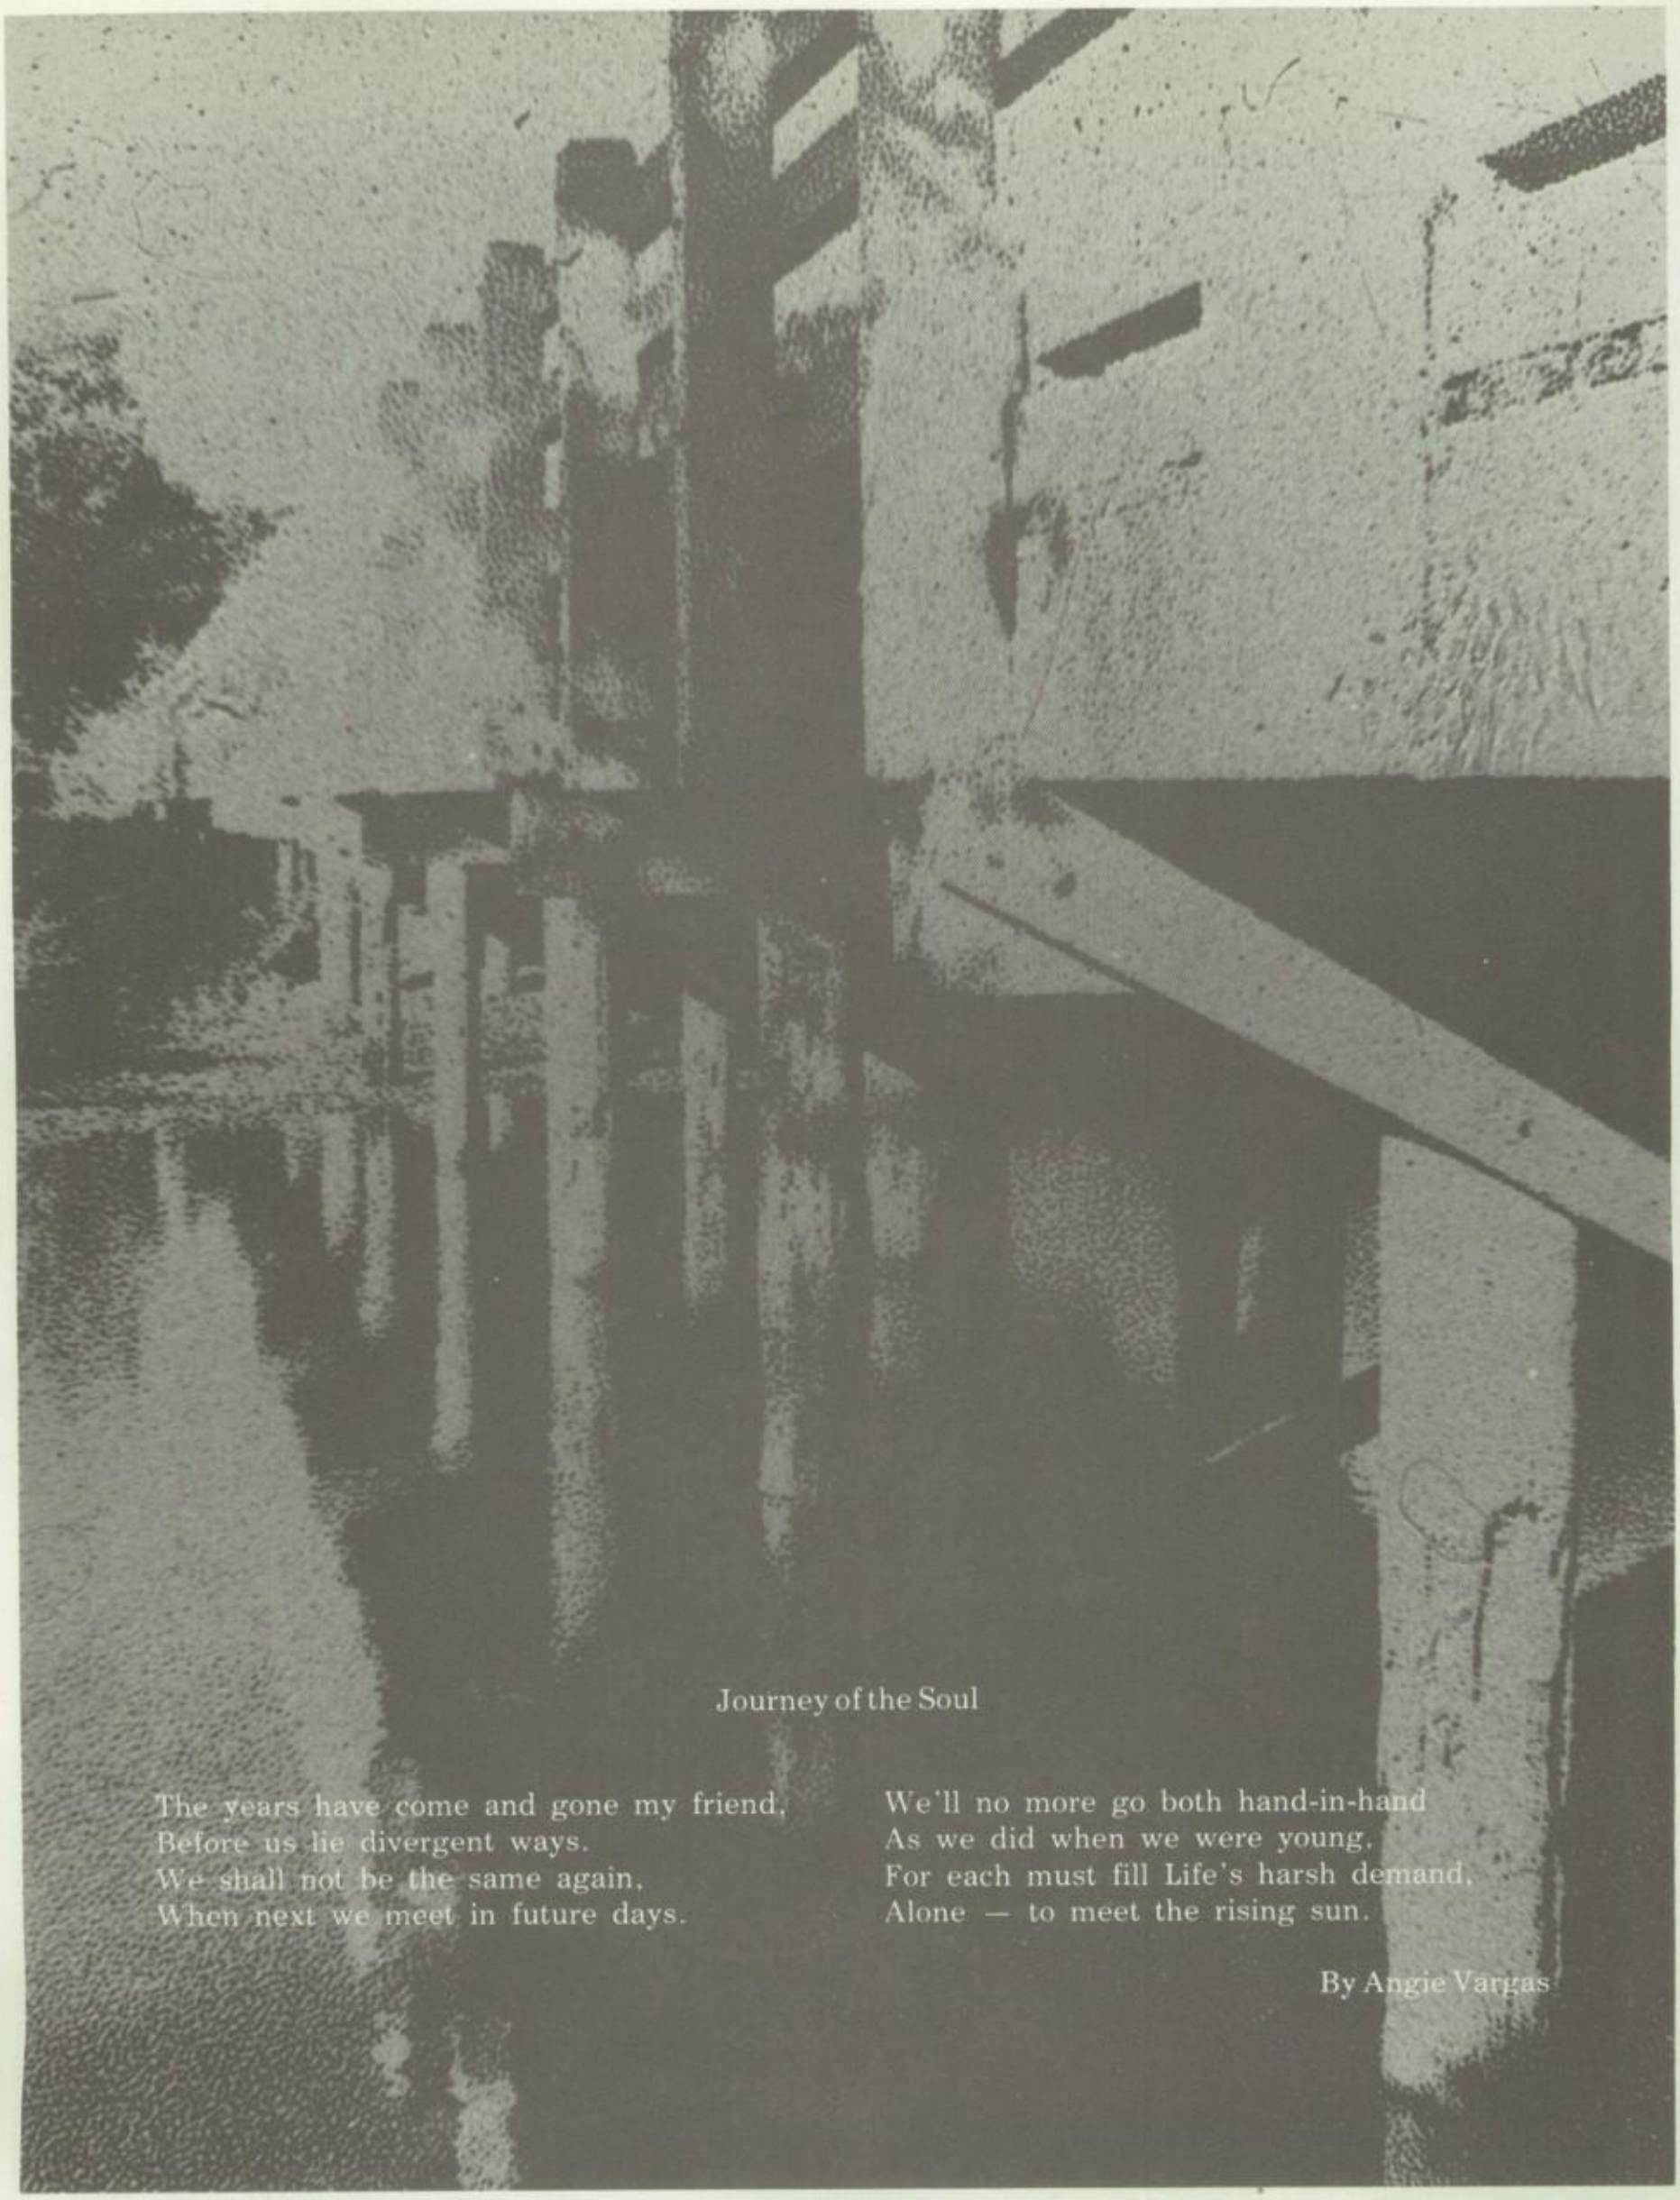
There were also many changes on the Galt High Campus this year. The main change, of course, is that there are no more craters to fall in or hills to trip over. We finally have a complete school again. The stereo provided a little music to break up the daily routine and make it much less expensive to go to dances. Our Warrior football team went to the championships for the third time in a row, which is a school and a league record.

In closing, I'd like to thank all of the people on the yearbook staff. We've all worked hard to put this yearbook together and it looks like it paid off. Mrs. Volbrecht deserves special thanks for putting up with us this year and for helping us out of the tight spots. I would also like to thank all of the teachers who have helped me out these past four years. I've had a good time at Galt High and I'll always remember it.

John Morgan, editor







Journey of the Soul

The years have come and gone my friend,
Before us lie divergent ways.
We shall not be the same again,
When next we meet in future days.

We'll no more go both hand-in-hand
As we did when we were young,
For each must fill Life's harsh demand,
Alone — to meet the rising sun.

By Angie Vargas
